- 3 Q. To your knowledge, did Mrs. Gavin ever do work for Bull on that computer? 4
 - A. No, she did not.
 - Q. What types of company functions did you attend while you were providing services to the graphic arts department?
- 9 A. They had some off-site meetings. There was 10 one in Chatham.
 - Q. Chatham, Mass?
- 12 A. Chatham, Mass. There was an overnight,
- 13 there was probably three nights, if I remember
- right, providing graphic arts support for the 14
- 15 communications center, making sure the slides for
- 16 the meetings that the people were speaking were
- 17 provided and updated or changed. Whatever was
- 18 needed.
 - Q. Did you attend that meeting?
- 20 A. Not the meeting. I was behind the scenes.
- 21 Q. But you were at the same location?
- 22 A. I was there. I had a room provided for me.
- 23 Q. Was that room paid for by the company?
- 24 A. Yes.

companies. And I was there as support help.

Q. The Chatham meeting you talked about, was anyone else from graphic arts there?

Page 168

- A. Just people superior to me.
- O. So you were the only actual --
- A. I was the only graphic artist that went, yes.
- Q. I was going to ask if you were the only person actually working there. That's not the way I'll phrase it. You were the only graphic artist there. Thank you for phrasing it better than I would have. The Tyngsboro meeting, were you the only graphic artist there?
 - A. No, I wasn't. That was a huge meeting.
- Q. Okay. So who else was there, if you recall? 15
 - A. Ted Lavash and one other graphic artist, I think. I can't remember which one, though.
- 17 Q. Do you know if it was an employee or 18 19 contractor?
- A. It was an employee. 20
 - Q. But you don't recall who it was?
- A. I can't remember who it was. 22
 - Q. Any other meetings or functions you can
- 24 recall?

Page 167

- Q. Do you know if there were rooms for others 1 2 that attended the meeting, for those that attended 3 the meeting, was that also paid for by the company?
- 4 A. Yes, it was,
- 5 Q. Did you invoice the company for the time you 6 spent at that meeting?
- 7 A. Just as company time. As time against the PO, which was -- I don't believe it was specified 8
- 9 just for that meeting. It was the -- it was just 10 time for the company.
- Q. But you were compensated for the time? 11
- 12 A. Yes.
- 13 Q. And you did invoice for it, correct?
- 14
- 15 Q. So the hotel room expenses were not -- you
- didn't charge them on your card? 16
- A. No. 17
- Q. Any other meetings or functions you can 18
- recall attending? 19
- 20 A. There was one in Tyngsboro. It was an overnight. I'm not sure what the meeting was 21
- called, but it was about -- it was friends of the 22
- company or clients of the company trying to drum up 23
- 24 business, and they had private meetings with these

- Page 169 A. We had various meetings here and there, but 1 those were the only ones overnight. 2
- 3 Q. You testified that when you first came back in 1979 that you would get work by taking work off 4 5 the top of the pile, correct?
 - A. Correct.
- Q. Did that method of distributing work change? 7
 - A. Yes.
- 9 Q. How did that change?
- A. They stopped doing tech manuals. There 10
- wasn't the repetitious work anymore of that kind of 11 12 work.
 - Q. How after that did work get assigned?
- 14 A. It would still be assigned.
 - Q. Who would assign it?
- A. At the time -- the person who was in charge 16 of me at the time would assign the work. 17
 - Q. I think your testimony was that you were, if
- not -- well, you were the most -- is it your 19 testimony you were the most proficient on the 20
- computer once the Mac came into the department? 21
 - A. I believe so, yes.
- Q. Would your assignments reflect your 23
- proficiency on the computer? 24
